

**REMARKS**

Claims 1-32 were in the application as filed. Pursuant to a requirement for restriction, claims 12, 13, 16, 28, 29 and 32 were previously withdrawn from consideration in this application.

Claims 1-11, 14, 15, 17-22, and 24-26 stand rejected. Claims 23, 27, 30, and 31 stand objected to as dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

In this paper, claims 1, 12, 13, 16, 17, 19-21, 23, and 26-32 have been cancelled without prejudice. Claim 33 has been added, which is essentially claim 23 rewritten in independent form including all of the limitations of base claim 17 and intervening claims 19, 20, and 21. Claim 34 has been added, which is essentially claim 27 rewritten in independent form including all of the limitations of base claim 17 and intervening claim 26. Claim 35 has been added, which is essentially claims 30 and 31 rewritten in independent form including all of the limitations of base claim 17.

Claims 2-11, 14, 15, 18, 22, and 24 have been amended to depend from claims 33, 34, or 35. The amendments made herein add no new matter. No rejected claims remain in the application.

In view of the Examiner's notification of allowable subject matter and the amendments made herein in response thereto, claims 2-11, 14, 15, 18, 22, 24, 25, and 33-35 are in condition for immediate allowance. Notification of allowability is respectfully requested.

Respectfully submitted,

STEVEN J. AND MARIANNE E. BERRY
